This year we are particularly focused on promoting a healthy environment for the students and teachers of Athens High School.

Why join the Parent Teacher Organization?

- ◆ It benefits the **school** by providing financial support as well as organized volunteer support.
- ◆ It benefits your **child** by demonstrating to our children that education is important. Research shows that children whose parents get involved do better on tests, get better grades, and have fewer discipline problems.
- ◆ It benefits **you** by providing a support network to learn from, build new friendships, and share skills you already have or even learn some new ones.
