

Minutes 25 February 2009
Athens High School PTO

Present:
Lisa Quinn, President
Lynn Lovdal, Vice President
Lisa Carson, Secretary
Ruth Dudding, Treasurer
Cynthia King, parent

I. Fundraising. We cannot participate in the Kroger Cares program without a 501(c)3 letter. Ruth Dudding is going to find out whether we can piggyback on AHS's tax-exempt status. Lisa Carson is going to talk to people who have gone through the process already in case we need to pursue that.

II. Teacher wish lists. The wish list for teachers to request help with purchases is available on the PTO page of the Athens High website. Lynn Lovdal has alerted teachers and a number of requests were considered at the meeting.

About \$250 in requests was approved at the meeting, including a DVD, a remote control device, speakers, and posters. A couple of requests were sent back for further detailed information.

We are looking into the question of how to make sure we don't grant requests for items that could be funded by the school; in order to be sure this doesn't happen we need to know the process that is followed at the school. Lisa Quinn is inquiring about this.

III. E-mail AHS contact list. We need to move on compiling this e-mail list, which will be derived from forms on file at AHS. Those wishing to volunteer with the typing may contact Lisa Q. A start will be made on March 6 by Lisa Quinn and Lisa Carson.

IV. Next meetings. Meetings are held at the Café Moku on Union Street, in the conference room belonging to realtor Russell Chamberlain.
