**I. Fundraising.** We have agreed to try the Kroger card program. Lisa Q is going to buy \$100 in cards at a time and see how it goes. We plan to sell them at the home basketball games, boys' and girls', against Alexander. Lisa C will look into whether this will conflict with any other group's selling of Kroger cards.

**II. Teacher wish lists.** The wish list for teachers to request help with purchases is available on the PTO page of the Athens High website. Lynn Lovdal is going to inform all the teachers of this. Requests will be considered at PTO meetings; at the current meeting Anthropology & Spanish teacher Tod Fry submitted a request and received a check immediately.

**III. Treasurer's report.** Even after reserving money to help sponsor the All-Night movie for Seniors on graduation night, there is money in the budget to meet plenty of teachers' wish-list requests.

Discussion of the event followed. Someone is going to find out who's in charge of this year's parent committee so we can find out about how much they are usually asked to donate (Correct?).

**IV. E-mail AHS contact list.** We need to move on compiling this e-mail list. Those wishing to volunteer with the typing may contact Lisa Q.

**V. Upcoming meetings.** Meetings will be at the Café Moku on Union Street, in the conference room belonging to realtor Russell Chamberlain.
